Topic: "[Truly our Sister](#)" which is based on the book by Elizabeth A Johnson with an emphasis on Mary our Mother as a source of blessing as well as shared commonality for many aspects of our lives today. Purchasing the book, and reading it ahead of time, is not required but you are welcome to if you wish. Either way you will walk away with an increased understanding of our Blessed Mother, her life, and how it relates to us today.

Masks and Social Distancing: In accordance with the [Oregon Mandate](#) masks are required in all indoor public spaces unless sitting to actively eat or drink. Retreatants should maintain a sensible distance from one another. At meals tables will be set for 4 persons only.

Shared Bath: Bedrooms and sinks are private, but the toilet and shower are shared with one other retreatant via a jack and jill shared bath design. If this is a concern, please contact SarahRichmnd03@gmail.com

Donations: Support for funding for some of our largest expenses such as future speakers and scholarships are always appreciated! Simply include additional funds with your registration check written to St Juan Diego, provide a separate donation and note it is for the English Women's retreat, or [donate online](#)! Thank you!!

Game Prizes: If you are willing to bring a prize to support the game then Thank you!!

Snacks and Wine: Feel free to bring your favorite snack and wine - there will be a table set aside for this
