### Help Needed - Counting Ministry

The weekly collection counting ministry needs additional volunteers. It would be a commitment of about two hours one Sunday a month. It involves counting cash, using a calculator to total batches of checks, and would require a background check. If you are willing to help with this important ministry, please contact Dan Remington at [dlremington@comcast.net](mailto:dlremington@comcast.net).

### Home Sweet Home No More: When Staying or Leaving are the same Risk

Immigration is a phenomenon that has been documented for more than four thousand years. and it's not for fun. Reasons vary. The locations are all over the place. The risk is always remarkably high. The consequences can be paid with one's own life.

So why do people still do it?

On Sunday, June 5 at 2:00 PM in the Sanctuary, Deacon Diego and his wife, Luisa, will share with us from their own life experience, because they are immigrants too.

### Social Justice Mass Intention

You are invited to attend and pray on Tuesday, May 17. The Mass intention is for: **Those suffering from mental health issues.**

In a society that judges a person on the value of what he produces, the mentally ill person is easily seen merely as a burden on society. As Christians, then, we are called unceasingly to affirm their dignity as human beings made in the image and likeness of God and to recognize their value to the community. "It is everyone's duty to make an active response; our actions must show that mental illness does not create insurmountable distances . . . Indeed it should inspire a particularly attentive attitude." Pope John Paul II, International Conference for Health Care Workers, on Illness of the Human Mind, February 11, 1984.

### Intención para Misas del Ministerio de Justicia Social

Está invitado a asistir y orar el martes 17 de mayo. La intención de la Misa es por: **Aquellos que sufren de problemas de salud mental.**

En una sociedad que juzga a una persona por el valor de lo que produce, la persona con enfermedad mental es fácilmente vista como una mera carga para la sociedad. Como cristianos, pues, estamos llamados incesantemente a afirmar nuestra dignidad de seres humanos creados a imagen y semejanza de Dios ya reconocer su valor para la comunidad. "Es deber de todos dar una respuesta activa; nuestras acciones deben mostrar que la enfermedad mental no crea distancias insalvables. . . De hecho, debería inspirar una actitud particularmente atenta". Papa Juan Pablo II, Conferencia Internacional para Trabajadores de la Salud, sobre la Enfermedad de la Mente Humana, 11 de febrero de 1984.
