

A CHRISTIAN VISION OF CREATION

FR. TYLER KREIPKE, CSC, PHD

Sept. 22, 11:15 am • The Old Madeleine Church

Descending Love and Ascending Praise in Communion

During the Season of Creation (Sept. 1 – Oct. 4) please join us for an exciting presentation by Fr. Tyler Kreipke, CSC, PhD, who teaches engineering at the University of Portland.

Fr. Kreipke will present the scriptural foundations of Christianity's understanding of the relationship between humanity, the natural world and God.

With degrees in biomedical engineering and bioengineering, as well as theology,

he brings a rigorous analysis and helpful understanding of the biblical teaching concerning our relationships with God, each other and all creation. All of us who have wondered what scripture teaches about what we should do about climate change will be greatly

helped, and inspired, by Fr. Kreipke's work.

The talk is open to all with no reservations or tickets required. Please join us.

Coffee and Donuts will be Served
