Our Mission: To bring people to Jesus.

Nuestra Misión: Llevar la gente a Jesús.

A Stewardship Moment

In today's Gospel reading, Jesus concludes his teaching about those who are "faithful and prudent stewards" with that classic stewardship teaching: "Much will be required of the person entrusted with much, and still more will be demanded of the person entrusted with more." Christian stewards recognize that God is the ultimate source of their gifts, talents, resources and aptitudes, and that God wants them to use these varied gifts in his service. This week might be a good time to reflect on our God-given gifts. Are we using those gifts to serve the Lord? If Christ came back to us unexpectedly tomorrow, would we be able to give a full accounting of how we have exercised stewardship over these gifts?

Un Momento de Corresponsabilidad

En la lectura del Evangelio de hoy, Jesús concluye su enseñanza acerca de aquellos que son "corresponsables f ieles y prudentes," con esta enseñanza clásica de corresponsabilidad: "Mucho se le pedirá a la persona a quien le fue confiado mucho, y todavía más le será demandado ala persona a quien le fue confiado más." Los corresponsables cristianos reconocen que Dios es la fuente última de sus dones, talentos, recursos y aptitudes, y que Dios quiere que usen estos variados dones en Su servicio. Esta semana sería un buen momento para reflexionar sobre nuestros dones dados por Dios. ¿Estamos usando estos dones para servir al Señor? Si Cristo volviera a nosotros mañana inesperadamente,¿seríamos capaces de dar cuentas cabales de cómo hemos ejercido la corresponsabilidad sobre estos dones?

St. Vincent de Paul Food Pantry

.In this Gospel, Jesus says "Sell your belongings and give alms. Provide money bags for yourselves that do not wear out, an inexhaustible treasure in heaven that no thief can reach nor moth destroy." Please help the Society of St. Vincent de Paul bring respite and hope to our neighbors who are not able to find relief from the summer heat, and you will indeed find "an inexhaustible treasure in heaven!"

Last month, through your gifts, St. Vincent de Paul was able to continue to show God's love and care to others by assisting 163 families and providing 10,845 pounds in food.

Despensa de Alimentos de San Vicente de Paúl

En este Evangelio, Jesús dice: «Vendan sus bienes y den limosna. Provean bolsas de dinero que no se desgasten, un tesoro inagotable en el cielo, al que ningún ladrón puede acceder ni la polilla puede destruir». Por favor, ayuden a la Sociedad de San Vicente de Paúl a brindar alivio y esperanza a nuestros vecinos que no pueden encontrar alivio del calor del verano, ¡y de hecho encontrarán un tesoro inagotable en el cielo!

El mes pasado, gracias a sus donaciones, San Vicente de Paúl pudo seguir mostrando el amor y el cuidado de Dios al ayudar a 163 familias y proporcionar 10,845 libras en alimentos.

Social Justice Mass Intention

You are invited to attend and pray on Thursday, July 3. The Mass intention is for: **The earth's environment.**

Opinions vary about the causes and the seriousness of environmental problems. Still, we can experience their effects in polluted air and water; in oil and wastes on our beaches; in the loss of farmland, wetlands, and forests; and in the decline of rivers and lakes. Scientists identify several other less visible but particularly urgent problems currently being debated by the scientific community, including depletion of the ozone layer, deforestation, the extinction of species, the generation and disposal of toxic and nuclear waste, and global warming. These important issues are being explored by scientists, and they require urgent attention and action. We are not scientists, but as pastors we call on experts, citizens, and policymakers to continue to explore the serious environmental, ethical, and human dimensions of these ecological challenges. https://www.usccb.org/resources/renewing-earth

Intenciones del Ministerio de Justicia Social

Está invitado a asistir y orar en la misa del jueves 3 de julio. La intención de la misa es por: **el medio ambiente de la tierra.**

Las opiniones sobre las causas y la gravedad de los problemas ambientales varían. Sin embargo, podemos experimentar sus efectos en la contaminación del aire y el agua; en el petróleo y los desechos en nuestras playas; en la pérdida de tierras de cultivo, humedales y bosques; y en el deterioro de ríos y lagos. Los científicos identifican otros problemas menos visibles, pero en especial urgentes, que actualmente se debaten en la comunidad científica, como el agotamiento de la capa de ozono, la deforestación, la extinción de especies, la generación y eliminación de residuos tóxicos y nucleares, y el calentamiento global. Estos importantes temas están siendo explorados por los científicos y requieren atención y acción urgentes. No somos científicos, pero como pastores, hacemos un llamamiento a expertos, ciudadanos y responsables políticos para que sigan explorando las graves dimensiones ambientales, éticas y humanas de estos desafíos ecológicos. https://www.usccb.org/resources/renewing-earth
