

Our Mission: To bring people to Jesus.

Nuestra Misión: Llevar la gente a Jesús.

**A Stewardship Moment**

Jesus minces no words with his disciples: If we acknowledge Jesus publicly, Jesus will remember us before God, our Father. If we deny Jesus, he will forget us. It is very rare that a Christian will denounce Jesus publicly. But we can deny Jesus in more subtle ways. There are many people who conveniently forget all about Jesus Christ and the work of his Kingdom in their daily lives, in moments of weakness, spiritual immaturity or when times get tough. Good stewards strengthen their confession of Christ by praying and attending Mass regularly, examining their lives and going to confession frequently, and reminding themselves daily that Christ resides in them. Take a look at your own daily life. Do you acknowledge Christ before others? How often do you remind yourself that Jesus lives in you?

**Un Momento de Corresponsabilidad**

Jesús habla a sus discípulos sin rodeos: si nosotros reconocemos a Jesús públicamente, Él nos recordará delante de Dios, nuestro Padre. Si nosotros negamos a Jesús, Él se olvidará de nosotros. Sería muy raro que un cristiano negara a Jesús públicamente. Sin embargo, nosotros podemos negar a Jesús en maneras más sutiles. Hay mucha gente que olvida, convenientemente, todo lo que se refiere a Jesús y al trabajo de su Reino en sus vidas diarias, en los momentos de debilidad, de inmadurez espiritual o cuando enfrentan tiempos difíciles. Los buenos corresponsables fortalecen su confesión de Cristo a través de la oración y asistiendo regularmente a Misa, examinando sus vidas y acudiendo a la confesión con frecuencia, y recordándose diariamente a sí mismos que Jesús vive en ellos/as. Dedique un tiempo para dar una mirada a su propia vida diaria. ¿Reconoce usted a Cristo ante otros? ¿Con qué frecuencia recuerda que Cristo vive en usted?

**St. Juan Diego Parish: The Early Years**

Remember our First Mass at Christ Church on December 8, 2002? Do you have a special memory of the first Masses? We'd like to hear your stories!

Next year we will be celebrating the 25<sup>th</sup> anniversary of the founding of our parish!

As part of the celebration, we would like to document the history of the founding of our St. Juan Diego Parish. This history will be shared and archived at the Archdiocese. We are collecting stories/memories/information about our early years: from the founding of our parish on July 31, 2002 through the dedication of our church in 2010. If you participated in activities in the parish during these times, we welcome your input! Please email us at [sjdhistory2002@gmail.com](mailto:sjdhistory2002@gmail.com) and we will send you additional information. We would enjoy reliving our early years through your personal stories!

### Social Justice Mass Intention

You are invited to attend and pray on Saturday, June 27. The Mass intention is for: **Seniors suffering elder abuse.**

The elderly in our society are often forgotten; cast aside in what Pope Francis calls a “throwaway culture.” It is important for us to recognize the dignity and value that the elderly have to us as persons and as a society. It is important for families to be present to the elderly of society and therefore enrich their own lives. Unfortunately, elder abuse is an issue in society; whether verbal, physical, emotional, or financial, the abuse is real. The church calls attention to this tragedy so that we may bring awareness to it in order to prevent it in families and facilities.

### Intenciones del Ministerio de Justicia Social

Está invitado a asistir y orar en la misa del sábado 27 de junio. La intención de la misa es por: **Personas mayores víctimas de maltrato.**

Los ancianos de nuestra sociedad son a menudo olvidados, dejados de lado en lo que el Papa Francisco denomina una «cultura del descarte». Es importante que reconozcamos la dignidad y el valor que los ancianos poseen, tanto para nosotros como personas como para la sociedad en su conjunto. Resulta fundamental que las familias se mantengan presentes en la vida de los ancianos de la sociedad y, de este modo, enriquezcan sus propias vidas. Lamentablemente, el maltrato a los ancianos constituye un problema en nuestra sociedad; ya sea verbal, físico, emocional o financiero, dicho abuso es una realidad. La Iglesia llama la atención sobre esta tragedia con el fin de generar conciencia al respecto y, así, prevenirla tanto en el seno de las familias como en las instituciones de cuidado.
